

Divorced/Separated Parent Information (CUSTP)

We have reviewed your application for financial assistance at Whittier College for the 2007-2008 academic year. Further information is needed about your parent's marital situation, as well as information pertaining to your parent's divorce settlement/separation agreement. In order to better assess your family's ability to contribute to your educational expenses, please submit the following information:

- If your parents are divorced**, please attach and submit copies of their divorce settlement, including spousal support, alimony to be paid or received, child support and division assets.
- If a divorce is in process**, please submit any documentation they have explaining spousal support, alimony to be paid or received, and child support and division assets. Please note the date the divorce will be final.
- If your parents are separated**, attach copies of their separation agreement, including all support and asset agreements. If no legal separation document has been filed in court, or if you have no court documentation, attach a letter of explanation supporting your separation, the length of separation and any financial support received or paid and the division of assets.

In addition, please complete the questions requested below:

1. According to court documentation, which parent is/will be the custodial parent? Mother Father
2. Which parent did the student live with MOST in 2006? Mother Father Both
