Information Sessions

Information sessions give employers the opportunity to provide interested candidates basic information about their organizations. Types of information sessions may include current opportunities, general profile information, organizational culture, career paths, job benefits, interview process, among others.

Employer Round Tables

Employer round tables are opportunities that allow employers, to conduct an overview of the Whittier College talent by scheduling an informal meet and greet session with students. Employers are encouraged to share their own career paths as this enables students to connect with their own career development.

Classroom Presentations

Employer led workshops and or classroom presentations allow you to choose topics that can help students engage with their futures. Topics can range from leadership development, networking, personal career branding, and interview preparation, to strategic job searching.

Employer Site Visits

Employer site visits are on-site information sessions at a specific employer's office. These visits allow the attending CCPD team members an opportunity to learn about the highlights and the unique aspects of your organization.

On-Campus Interviews

On-campus interviews take place at CCPD offices, providing you with a comfortable location that will allow you to meet with students/alumni during one visit to campus. Scheduling interviews is made easy through [Poets Connect](#) - powered by Handshake. To schedule interviews just log into your account and fill out a request form.
