HIRE YOUR SUCCESS TODAY. HIRE A WHITTIER COLLEGE STUDENT.

Whittier College students graduate with the four career competencies employers believe are the most important in the 21st Century workplace.

- **Critical Thinking and Problem-Solving:** make decisions, solve problems, and take action as appropriate
- **Effective Communication:** synthesize and transmit ideas both in written and oral formats
- **Collaboration and Team Building:** work effectively with others, including those from diverse groups and with opposing points of view
- **Creativity and Innovation:** determine what is not there and make something happen
