**If you would like to have your blood pressure checked, we would be glad to do it for you.
Appointments required!**

**During the course of the academic year, we offer screening events to faculty and staff.
There events are advertised by e-mail so watch for them.**

Since we are a Student Health & Wellness Center, our services are geared for college students only. Our liability carrier does not allow us to service faculty and staff for treatment of illnesses and injuries. If you are ill, you need to be seen by you own health care provider. If you get injured during the course of your work day, please contact Human Resources for further instructions. For life threatening medical emergencies, contact 911 and Campus Safety.
