June 2013

Dear Whittier College Students and Families:

Enclosed is information regarding a voluntary insurance program offered by A. W. G. Dewar, Inc., of Quincy, Massachusetts. The program is called the Tuition Refund Plan (TRP) and significantly extends and enhances the College’s refund policy as published in the College Catalog “Cancellation of Institutional Charges” section.

The Plan protects your education investment by reimbursing 75% of tuition, fees, and room and board charges should the student withdraw from Whittier College due to a serious illness or accident. The proceeds, after the College’s outstanding balance and any financial assistance reimbursements have been processed, would be refunded to the family in the event the student withdraws.
