WHAT IS CONSENT?

Consent is affirmative, as defined in Whittier College’s Sexual Misconduct Policy and CA § SB 967. It is positive cooperation in the act or expression of intent to engage in the act pursuant to an exercise of free will.

Consent is revocable. Consent to some form of sexual activity does not imply consent to other forms of sexual activity.

Consent is conscious. It cannot be given when a person is incapacitated (e.g., unconscious, mentally/physically impaired, or unable to understand the who/what/when/where/why of a situation because of alcohol/other drugs).

Consent is voluntary. It must be given without coercion, force, threats, or intimidation.

YOU DON’T HAVE TO GO THROUGH THIS ALONE.

IF YOU HAVE EXPERIENCED A SEXUAL ASSAULT:

1. Go to a Safe Place. If you do NOT feel safe, call 911 or Campus Safety immediately at (562) 907-4911. Secure the room you’re in by locking or blocking doors and windows while you call for help. If you do not feel safe in your room, Whittier College has safe rooms available on campus; call the Dean of Students at (562) 907-54233 during business hours or Campus Safety 24 hours a day.

2. Get Medical Attention and Preserve Evidence. Sexual Assault Response Team nurses at Presbyterian Intercommunity Hospital provide free medical services and evidence collection to sexual assault survivors 24 hours a day, 7 days a week. If you are thinking about reporting an incident of sexual assault, you can preserve evidence by keeping any clothes worn, sheets, or other evidence at the scene in a paper bag. If possible, do not shower, cleanse, douche, urinate, defecate, eat, drink, or brush teeth.

Evidence can be collected up to 5 days after an incident and medical attention is important at any time.

3. Get Support and Resources. The Counseling Center can provide emotional support 24 hours a day, and the Support Person Program can provide you with information about resources and accompany you to whatever resources you access.

Additionally, if you need medical attention, safe rooms on campus, or to report to Whittier College or the police, there are resources available to you 24 hours a day, 7 days a week (see the back resources panel for contact information).

4. Consider Reporting. Whittier College encourages students to report all incidents of sexual misconduct to the College and to the Whittier Police Department.

WHO TO TALK TO:

The Whittier College Counseling Center will keep what you tell them completely confidential and there are counselors on-call 24 hours a day, 7 days a week.

The Whittier College Support Person Program is a group of faculty and staff that have been specially trained to understand the resources for survivors on and off campus, and can provide information, support, and accompaniment. They need to report statistics to the College, but will not report identifying information unless the College community is at risk of future incidents.

To report the incident to the College, you can tell a number of people, including the Title IX Coordinator or Title IX Investigators through the Dean of Students Office or Human Resources. If you want to make a report after 5 PM, Campus Safety is available 24 hours a day, 7 days a week.

Project Sister and the LA 24-hour Rape & Battering Hotline can also provide you with 24-hour support and assistance in the Whittier and Los Angeles area and will keep your information completely confidential.

Additionally, you can file a formal report with the Whittier Police Department 24 hours a day, 7 days a week.
