

LIABILITY WAIVER

Whittier College seeks to provide educational travel opportunities that provide learning experiences with a high regard for the welfare and safety of the participants. While the official Whittier College representative(s) will seek to safeguard the health, well-being, and safety of the travelers, participation in the Alumni Travel Program is voluntary and there are certain inherent risks that the participant must assume.

I am aware that my participation in the program to which I have applied involves potential risks of personal injury, property damage, and other associated risks. I voluntarily choose to participate in this program and I freely agree to assume and take on full responsibility for any such risks of loss, property damage, or personal injury, including death that may be sustained by me as a result of participation in the program noted above.

In consideration of Whittier College's efforts in making this program available and my being allowed to participate, I hereby agree to release, indemnify, hold harmless, and forever discharge Whittier College, its trustees, officers, employees, and agents, from any and all claims and causes of action which might be brought by me or others on my behalf for loss of property, personal injury, or death sustained by me arising out of any travel or activity conducted during the period of my participation in the above named program. I understand that this release covers liability claims and actions caused entirely or in part by any acts or failures to act of the College (or its trustees, employees, or agents), including, but not limited to negligence, mistake, or failure to supervise by the College.

I agree to indemnify Whittier College for any loss or costs, including medical bills, court costs, and attorneys' fees, that it might incur due to injury or damage resulting from my participation in this program.

It is my intent that this agreement shall bind the members of my family (and spouse, if applicable), if I am alive, and my heirs, assigns, and personal representative, if I am deceased. This Agreement shall be deemed as a release and consent not to sue regarding any claims these parties may have against Whittier College relating to my participation in this program.

Side trips and excursions are opportunities that will arise during the experience that are not necessarily required parts of the itinerary. During free time, I understand that I will be permitted to travel independently. I agree to indemnify Whittier College for any loss or costs, including medical bills, court costs, and attorneys' fees, that it might incur due to injury or damage resulting from my participation in independent travel while on this program. It is my intent that this agreement shall bind the members of my family and spouse, if I am alive, and my heirs, assigns, and personal representative, if I am deceased. This Agreement shall be deemed as a release and consent not to sue regarding any claims these parties may have against Whittier College relating to my participation in independent travel while on this program.

This Agreement shall be construed in accordance with the laws of the State of California.

In signing this Agreement, I acknowledge that I have read it and understand it, I agree to be legally bound by it and that I sign it voluntarily.
